

Reach the people who investigate, litigate, and adjudicate the justice system — while they're paying attention.

Clutch Justice is an independent investigative publication covering judicial and prosecutorial accountability, public corruption, and government transparency — read by attorneys, investigators, journalists, and policy professionals who stay for an average of six-plus minutes per visit.

WHY SPONSORS CHOOSE CLUTCH JUSTICE

- **Niche, professional readership** — attorneys, public defenders, investigators, journalists, and policy staff, not general-interest traffic.
- **Exceptional engagement** — a 52.6% newsletter open rate against a typical industry range of 20–25%.
- **High dwell time** — 6+ minute average sessions on dense, document-driven investigative content.
- **Brand-safe environment** — fact-based, primary-source reporting with a strict editorial independence policy.
- **Unique inventory** — sponsorship of The Lab's 16+ interactive research tools, not available on general news sites.

WHO YOU'LL REACH

- **The Litigator** — attorneys & public defenders using findings in active casework.
- **The Watchdog** — journalists, investigators & researchers.
- **The Policy Professional** — government staff & advocacy organizations.
- **The Impacted Reader** — families navigating the justice system directly.
